STREET CLOSURES		
	LOCATION	WORK TO BE PERFORMED
	Bliss Street	No work anticipated
	East Columbus Avenue	No work anticipated
	Howard Street	No work anticipated
	Main Street	Due to water and sewer work on Main Street, jersey barriers and pedestrian walkway from State Street to Howard Street will be removed. Pedestrians will be redirected to the opposite side of Main Street. Site fencing will remain in place along this portion of Main Street and the sidewalk will remain closed.
28	State Street	Water and sewer work on State Street began on November 24th and is expected to continue through December, with work occurring from 7:00 AM - 5:30 PM, weather permitting. State Street will become one-way for some period of time to allow for this work to proceed and a temporary detour of traffic in one direction will be established. During certain phases of the operation, an odor may be detected. Odors are most likely to occur in houses or buildings with dry or non-existent traps (a part of an indoor plumbing system that keeps sewer gases out of the building). In most cases, pouring one cup of water in the sink or tub drain and opening your windows can minimize any odors.
27	Union Street	<p>There will be a planned closure of Union Street from December 14th, 2015 until January 6, 2016 in order to install a new poured in place sewer manhole. Union Street will be closed 24 hours/day and traffic will be detoured with work occurring from 7am - 5:30pm. This will be a continuous closure (7 days/week).</p> <p>The closure will be synched on the east and west ends of Union Street to allow access to the Milano's parking lot (east) and the Pride Gas Station and Colvest Building parking lots (west). Some noise may result.</p> <p>There will be an additional sewer manhole installed at the west end of the Union Street closure adjacent to the Pride Gas Station and Colvest building. Police detail is anticipated.</p>
MISCELLANEOUS ACTIVITY
