

Are you a local vendor specializing in furniture, fixtures, equipment and other listed supplies?

MGM Springfield is seeking vendors, including minority-, woman- and veteran-owned businesses, for project-related furniture, fixtures and equipment purchases and other supplies listed. MGM Springfield representatives will host an informational session in the morning to explain the scope of upcoming purchases, the prequalification process and MGM Springfield's policy on vendors and purchasing. There will also be an overview of the project's diversity requirements. Vendors will also have the opportunity to participate in round table meetings with members of the MGM Resorts procurement team during the afternoon session. Pre-registration is required.
