MGM SPRINGFIELD AND SPECTRA BY COMCAST SPECTACOR JOINTLY BID TO OPERATE MASSMUTUAL CENTER IN SPRINGFIELD

Two World-Class Leaders Join Forces to Answer RFP for venue management and food services

SPRINGFIELD, MA – MARCH 31, 2016 – MGM Springfield, the luxury resort casino scheduled to open in the fall of 2018, and Spectra by Comcast Spectacor, an expert in hospitality and entertainment, today announced a joint bid for the five-year contract to operate the MassMutual Center, a multipurpose arena and convention center, in downtown Springfield, Massachusetts. Under this joint bid, MGM Springfield would serve as the venue management company and Spectra would provide food and beverage services through its Food Services & Hospitality division. Both MGM and Spectra have agreed to a collaborative approach to operate the facility, commencing July 1, 2016.

Under the terms of this submission, MGM Springfield is bidding to become the exclusive manager of the MassMutual Center after a six-month transition phase. During this transition period, Spectra will continue the day-to-day operations through Dec. 31, 2016. Spectra will work with MGM Springfield to take part in event planning, strategic marketing initiatives, capital improvement planning and other aspects of both the short and long term operation of the Center.

“We are proud to participate in this unique opportunity to further our engagement and contributions to the Springfield community,” said Michael Mathis, President and Chief Operating Officer for MGM Springfield. “This market has unique offerings for convention goers and local residents alike, and the MassMutual Center should continue to be an integral part of what attracts visitors to downtown. With two world-class industry leaders joining forces on a bid proposal, the Massachusetts Convention Center Authority (MCCA) has a prime opportunity to select the best of the best to operate this great facility.”

If awarded the contract, MGM Springfield and Spectra will be able to deliver both short and long-term savings to the operating budget of the MassMutual Center, allowing for capital reinvestment in order to raise the quality of the building. The joint proposal creates cross-marketing opportunities for events; the coordination of job and customer service training; better purchasing of goods and services; and a broader, more-coordinated presence at upcoming trade

shows and conventions. Additionally, MGM Springfield will manage the long-term event calendar, with an eye toward leveraging its expertise in high quality entertainment programming to attract even more visitors to the Center.

Glen Brandeburg, President and Chief Operating Officer, Spectra Venue Management and Food Services & Hospitality commented, “Spectra and MGM combining its efforts at the MassMutual Center will provide tremendous unique advantages to the MCCA. This combined proposal will more effectively coordinate benefits to the Center with MGM’s long-term goals and operational commitments for its resort casino complex.”

MGM Springfield is among the newest additions to the MGM Resorts International [NYSE: MGM] portfolio. MGM Resorts develops, builds and operates unique destination resorts around the world, which are designed to provide a total resort experience, including first-class accommodations and dining, world-class entertainment, state-of-the-art meeting and convention facilities, and high-quality retail and gaming experiences.

Spectra by Comcast Spectacor is an expert in hosting events and entertainment, and has more than 300 clients at more than 400 properties worldwide. In addition to Venue Management and Food Services & Hospitality, the company also includes a Ticketing & Fan Engagement Services. The Ticketing & Fan Engagement Services division submitted a separate bid to the MCCA in response to the ticketing RFP for MassMutual Center.
